There is a motion on the floor for YRAA that I was directed by the President to send out by text with 48 hours so Tuesday morning at 7:30 to vote. The motion is to hire Jonathan Pavlik on contract at. \$3000 a month on an interim contract as General manager from July 1st to October 31st. Additional information is being sent by email including a draft scope of work for use in drafting a contract if the motion passes

Jonathan Pavlik

I abstain from voting on this motion.

Jesse Pavlik

It may be problem on my
end but most of the
responses are not showing
names, just the phone
number

Maybe we should put our

It may be problem on my end but most of the responses are not showing names, just the phone number

Maybe we should put our names at the end of our text so we all know who's communicating

Jesse pavlik

JP

Also there is a new thread that we need to vote on, this one had some issues that kathy has already explained

Will Johnathon be absent during the time frame of spawning site visits?

Jonathan Pavlik

To clarify Tom's question, whoever is hired for this position cannot be absent during that window. This job will definitely require the person in the role to be fully active with UAG and the site visits

Jonathan Pavlik

Everyone needs to respond in the group text titled YRAA

I have heard from 13 of the 14 board members. The final vote is 11 yes 1 no and 1 abstention. I will work on a contract using the scope of work that was provided. Larry will review and sign it

Jonathan Pavlik

Sounds good. I will get to work as soon as everything is signed

Melenda Lekanof

I am flying out today and
